NIESSING MANUFAKTUR SURPRISES FINDER OF POTATO RING WITH A SPECIAL GIFT

Central Hesse, September 15, 2023 – The story of the surprising discovery of a Niessing wedding ring in a potato has taken an emotional turn. The finder of the potato ring, Mrs. Maria D. from Wettenberg-Wißmar, recently received a new wedding ring from Niessing Manufaktur as a gift. This ring was meticulously handcrafted to preserve her memory of her own marriage and, at the same time, honor the extraordinary story of the potato ring. The presentation was made by Niessing's local partner jeweler, Mrs. Klein from Marburg.

Niessing Manufaktur is known for its handmade and unique pieces of jewelry that tell the life stories of their wearers. The new wedding ring for Mrs. Dross will undoubtedly hold a deep significance for her, constantly reminding her of her own love and the unforgettable story of the potato ring.
